RE: Site Name: Wells G & H Superfund Site - Operable Unit 2
PRP Name: Stepan Company
Site Location: Woburn, Massachusetts
Our File No.: 624/924-05

Dear Ms. Scott:

As you know, our firm represents Stepan Company ("Stepan") in the above-referenced matter.

Please consider this letter as a request for additional records that have not been previously provided to us. We are looking for AECOM 2010, 2011, 2013 supplemental data collection reports, RETEC 2004 and TRC 2004 reports and Clean Harbors 1998 report. We hereby request that those records be provided or otherwise made available for review. We hereby also confirm Stepan's consent to pay any cost related to search, copying and/or downloading the above documents.

Thank you for your kind cooperation in this regard. Should you have any questions or comments regarding the above, do not hesitate to contact me.

Respectfully submitted,

Timothy W. Garvey
